

New Sonet

The Wild. Reborn.

Movement that inspires

Driven by instinct.

In a world gone tame, the new Sonet is here to set you free. Chiselled to perfection, raw in power, and loaded with tech, it's built to give you a one-of-a-kind driving experience. So, get in and let your wild instincts take over.

A dominating stance.

The majestic attitude of the new Sonet is sure to make a statement. Redesigned to look intimidating with a bold new tiger nose grille and a suave connected taillight set up, the new Sonet commands respect and dominates wherever it goes.

Electric Sunroof

gives compact SUV enthusiasts a chance to connect with the outside world

Rear Spoiler

provides a sporty and dynamic appeal to the wild design

LED Ambient Sound Lighting

creates the perfect atmosphere for every drive

Full Digital Cluster with 26.04 cm (10.25") Color LCD MID

provides real-time information and vehicle status updates

Power of a beast.

At the heart of every new Sonet is an engine throbbing with power. Power that's honed by precision driving dynamics from a wide range of refined and fuel-efficient engines mated to multiple transmission options. So choose your favorite combination, put pedal to metal, and let every road hear you roar.

Exceptionally secure.

With such raw ferocity comes the responsibility to keep you and your loved ones out of harm's way. That's why we've built the new Sonet with robust 15 safety features across all variants; giving you dependable safety and a calm sense of security.
